

Directions to Casa Ana from Granada Airport

There is only one road leading out of the airport, in the direction of **Santa Fe and Granada**. Exit this road after a few minutes, following signs to Granada and Santa Fe on the A92 and almost immediately, exit again following signs to **Granada and the Sierra Nevada**.

Keep going until you see a sign to **Motril on the E902**. Take this exit which brings you on to the Granada ring road, and keep following signs for Motril. After about 50 km, take **Exit 164 off the dual carriageway** following signs for Beznar, Lanjaron and the Alpujarra. The slip road leads to a roundabout. Take the final exit for **Lanjaron**, then at the mini roundabout also follow signs for Lanjaron.

Wind along this road for about 15 minutes until you enter Lanjaron. When you come to a mini roundabout follow the road to the right, following the sign for **Orgiva**. (This is the Lanjaron bypass.) Continue on for about 15 minutes. Look out for a BP Garage on your left and immediately after that take a left turn, following the sign for **Trevez**.

Follow this road for about 20 to 30 minutes as it winds and climbs up the mountains. It will take you through the famous white village of Pampaneira. You will then pass a petrol station on your right. Keep straight along this road, signposted to Trevez. About 5 minutes further on, **take the fork off to the right, signposted to Mecina Fondales**. **Drive down this road for about 5 minutes** until you get to some houses and an old stone wash house on your right. This is Mecina. Immediately you arrive at the houses, take the **left turn, signposted for Ferreiros**.

Take this road for 3 or 4 minutes and it leads you into Ferreiros itself. Just as you get to the village, you'll see some cars parked where the road widens and ends. You can park here, or continue past the church to the Plaza, where there is also free parking. From here it's a couple of minutes' walk to the house.

To walk to the house: starting in the Plaza, with the church behind you: **Go straight across the Plaza** with the village drinking fountain and wash house on your left and walk down this lane a little way, ignoring a sharp turning down to the right. There's a lovely old walled orchard on your right. You'll see a sign on a telegraph pole saying "Calle Sin Salida". After about 30 metres, take a right turn into **Calle Artesa**, following the wall of the orchard. After a further 30 metres, look for the Casa Ana sign beside a big door on the left.

Approximate journey times from Granada: 1.5 hours
